Assessment

Read the stimulus and each question carefully.

> *On Monday, Class Two planted bean seeds beside the classroom. Asha put a name label by each pot. The class added a little water and placed the pots near a sunny window. On Friday, two small green shoots had appeared. The learners measured them with paper strips. Asha wrote the results in the class book. The class agreed to water the pots only when the soil felt dry. They wanted to save water and keep the plants healthy.*
