DIO PermitProof

CONTROLLED EVIDENCE REVIEW | HUMAN DECISION REQUIRED

Executive overview

Product: DIO PermitProof

Case: CASE-FDC19190D41FFD09

Requirements or obligations identified: 3

Evidence mappings recorded: 2

Items requiring review: 0

This document is an internal evidence-review candidate, not a final approval or determination.

Requirements and obligation review

1. [SATISFIED] P-1: The operator shall provide the monitoring report.

Review basis: all explicit evidence requirements have trusted, non-stale supporting evidence

Responsible party: operator

Recorded deadline: 2026-08-10T12:00:00+00:00

2. [MISSING] P-2: The operator shall retain the incident notice.

Review basis: required trusted evidence is missing: ['incident_notice']

Evidence requiring confirmation: incident_notice

Responsible party: operator

Recorded deadline: 2026-08-11T12:00:00+00:00

3. [EXPIRED] P-3: The operator shall maintain the renewal certificate.

Review basis: explicit obligation expiry timestamp has been reached or passed

Evidence requiring confirmation: renewal_certificate

Responsible party: operator

Source and evidence register

Evidence EVID-A42E542A49FBFCB4: fixture://permitproof/evidence/primary; relation=supports; trust=trusted_for_review; freshness=current; obligation=OBL-2E9653449E98C4CE

Evidence EVID-471303D68CB4A617: fixture://permitproof/evidence/expired; relation=supports; trust=trusted_for_review; freshness=expired; obligation=OBL-630FEF5E3A8538A8

Contradictions and outstanding review

No contested items recorded by this assessment.

Missing evidence

The separate gap register is empty. This does not establish evidence sufficiency; review each obligation's assessment.

Deadline register

2026-08-10T12:00:00+00:00: response (overdue)

2026-08-11T12:00:00+00:00: response (overdue)

2026-08-01T12:00:00+00:00: expiry (expired)

Recommended human review sequence

1. Confirm each extracted requirement against the original source.
2. Investigate contested statements and evidence gaps.
3. Verify any dates, conditions and source mappings before reliance.
4. Obtain the required authorised human decision before disclosure.

Authority and release boundary

Fulfilment: NEEDS_YOU

Disclosure: NEEDS_YOU

External release: REFUSE

No award, permit, legal determination, waiver or external release is authorised by this report.
