DIO GrantProof

CONTROLLED EVIDENCE REVIEW | HUMAN DECISION REQUIRED

Executive overview

Product: DIO GrantProof

Case: CASE-CF07143A5E5FEC19

Requirements or obligations identified: 3

Evidence mappings recorded: 2

Items requiring review: 0

This document is an internal evidence-review candidate, not a final approval or determination.

Requirements and obligation review

1. [SATISFIED] G-1: The recipient shall provide the milestone report.

Review basis: all explicit evidence requirements have trusted, non-stale supporting evidence

Responsible party: recipient

Recorded deadline: 2026-08-10T12:00:00+00:00

2. [MISSING] G-2: The recipient shall retain the expense schedule.

Review basis: required trusted evidence is missing: ['expense_schedule']

Evidence requiring confirmation: expense_schedule

Responsible party: recipient

Recorded deadline: 2026-08-11T12:00:00+00:00

3. [EXPIRED] G-3: The recipient shall maintain the retention record.

Review basis: explicit obligation expiry timestamp has been reached or passed

Evidence requiring confirmation: retention_record

Responsible party: recipient

Source and evidence register

Evidence EVID-E08B98077FDC72D1: fixture://grantproof/evidence/primary; relation=supports; trust=trusted_for_review; freshness=current; obligation=OBL-B1B2A01554A3ECC8

Evidence EVID-83CA0E31F6C6776F: fixture://grantproof/evidence/expired; relation=supports; trust=trusted_for_review; freshness=expired; obligation=OBL-EC381CEB78A4CFAC

Contradictions and outstanding review

No contested items recorded by this assessment.

Missing evidence

The separate gap register is empty. This does not establish evidence sufficiency; review each obligation's assessment.

Deadline register

2026-08-10T12:00:00+00:00: response (overdue)

2026-08-11T12:00:00+00:00: response (overdue)

2026-08-01T12:00:00+00:00: expiry (expired)

Recommended human review sequence

1. Confirm each extracted requirement against the original source.
2. Investigate contested statements and evidence gaps.
3. Verify any dates, conditions and source mappings before reliance.
4. Obtain the required authorised human decision before disclosure.

Authority and release boundary

Fulfilment: NEEDS_YOU

Disclosure: NEEDS_YOU

External release: REFUSE

No award, permit, legal determination, waiver or external release is authorised by this report.
