Assessment

The educator may read this short scenario aloud before asking the questions.

> *At home, Nandi washes her hands before eating. She packs a bottle of clean water. At school, she waits for her turn on the slide. When a friend falls, Nandi calls the teacher.*

1.1 Name two healthy things Nandi does and give one reason each is healthy. **[4]**

1.2 What does Nandi do to use the slide safely? Give one other safe playground action and explain how each action helps keep children safe. **[4]**

1.3 Her friend falls. Name four safe things Nandi can do while getting help. **[4]**

1.4 Starting with washing hands, put these actions in a helpful order: wash hands, sit to eat, play with a ball, tidy the ball away. **[4]**

1.5 Give one kind way to help a classmate, say what you would do, and explain how it would help. **[4]**
