Life Orientation · Grade 8 · 40 marks · 90 minutes

Learner name: _____ Date: _____

Time: 90 minutes Total: 40 marks

Instructions

- Answer all five questions.
- Show calculations where requested.
- Use evidence from the printed stimulus when a question refers to it.

Assessment

Read the stimulus and each question carefully.

> *A learner has a major assignment due in two weeks and also wants to join friends for an afternoon activity. The learner has not started the assignment and feels pressured to copy a classmate's work. The school expects original work and allows learners to ask the teacher for help.*

1.1 Explain how pressure from a friend could affect the learner’s confidence in their own ability. Write one positive self-talk statement and give one action that would help the learner use their own ability on the assignment. **[6]**

1.2 Create a two-week plan with three milestones and one leisure period. **[6]**

1.3 Compare asking the teacher for help with copying a classmate's work. **[8]**

1.4 Write a respectful message to a friend explaining a boundary about copying while preserving the friendship. **[10]**

1.5 Recommend one help-seeking step and explain how the learner can monitor progress. **[10]**
